WELCOME

Today's game is one in which not only the players are looking forward to but as a coach i am relishing the opportunity to test our talented team against a strong opposition. The girls have been nothing short of fantastic so far in everything they have done which can be reflected in our form in both league and cups to date. We go into this game having chalked up another win in the league away at Edinburgh 2s in what can only be described as some of the worst weather conditions i have ever seen. Credit to the girls getting the result that sets us up nicely for today against a Birmingham team that are doing well in a very competitive Midlands 1A. The girls have trained very well since returning from the break and i am confident that they will put in a good performance to try and get us into the Quarter Final. The big games come around very quickly at this time of the season and i am excited to see what this group of players can achieve!

Graeme Hart
Women's 1st Team Head Coach

The Women's 1st team has continually surpassed expectations in our league and tournament games. We are set to kick off against Birmingham this Wednesday afternoon. This will be for a place in the Quarter-Finals for us in the BUCS British Trophy. As captain, I am excited to see how we match up against them. I think they will be surprised by our consistency and communication across the park. Especially after last week's league in Edinburgh, we are looking forward to our own pitch. The Women's 1s have been consciously prepping for this game and we cant wait for the first whistle. ASAW.

PERFORMANCE PROGRAMME

SPONSORSHIP OPPORTUNITIES

Our Legacy. Be Remembered.

Our vision is to develop one of the best performance football programmes in the UK. To achieve this we aim to provide our students and staff with the opportunity to compete and develop at the highest level, whilst building stronger relationships with businesses and the local community off the pitch.

By investing in the Saints Football programme you will be associating your company with a very positive, inclusive and ambitious club, and supporting some of the University's most dedicated and driven students in their quest for academic and sporting excellence.

OUR PROGRAMME

Saints Football fosters a healthy relationship between athlete and student. We aim to provide the very best support and a comprehensive programme of training, allowing our players to graduate with a world-class education, exceptional sporting experience & teammates for life.
